Because our goal for the market is to help connect local farmers (within 50 miles) with customers and customers to their food, we reserve the right to limit the number of specific types of non-food and value-added vendors as needed. We will offer space to vendors as they have approached us and applied, so there may be a short wait before there is availability.

Thank-you so much for your interest in being a vendor at the Whitehouse Farmers Market! We will be in touch within **two weeks** of receiving your application with more information!
